

CDBG 2024 Open Application Period

The St. Louis County Office of Community Development will soon be accepting applications to competitively award CDBG funds to nonprofit organizations and County departments.

Applicants will have the opportunity to apply under two funding categories:

- **FY2024 Funds:** These funds are expected to be available in Fall 2024, and must be fully expended within one year.
- **Pre-2024 Funds:** These funds are typically available immediately upon execution of a grant agreement, and must be fully expended by September 30, 2024.

IMPORTANT NOTE: There is now only one application period per year to award funds in both categories. Applications will not be accepted after the deadline!

New this year! We will offer a virtual technical assistance workshop for prospective applicants from 2-4pm on Tuesday, December 12th 2023. In this free two-hour workshop, we will walk through the application process and discuss best practices and requirements for managing your CDBG award, with a primary focus on public service activities. To RSVP please email bdufrenne@stlouiscountymo.gov.
