

# COMMUNITY INPUT MEETINGS

## You're invited to attend a community input meeting about proposed activities for St. Louis County's 2023 Annual Action Plan.

Each year, the U.S. Department of Housing and Urban Development (HUD) requires St. Louis County to submit an update to its five-year Consolidated Plan. This update is called the Annual Action Plan, and it describes how St. Louis County proposes to spend the approximately \$8 million per year it receives from HUD for three programs:

### Community Development Block Grant (CDBG) HOME Investment Partnership (HOME) Emergency Solutions Grant (ESG)

## We want to hear from you!

What are the needs in your community? What types of activities should St. Louis County try to prioritize? What programs would best serve County residents?

Please keep in mind that all activities and programs must serve one of the following purposes:

- Benefit low and moderate income residents
- Prevent or eliminate slums and blight
- Address urgent, recently developed community needs for which there is no other funding
- Provide affordable housing
- Assist homeless individuals

We will consider your input as we plan our 2023 activities under these three programs. The Annual Action Plan will be submitted to HUD on or about January 31, 2023, and funding will be available sometime after June 30, 2023.
